11 And he said, Go forth, and stand upon the mount before the Lord. And, behold, the Lord passed by, and a great and strong wind rent the mountains, and brake in pieces the rocks before the Lord; but the Lord was not in the wind: and after the wind an earthquake; but the Lord was not in the earthquake:12 And after the earthquake a fire; but the Lord was not in the fire: and after the fire, a still small voice. - 1 Kings 19:11-12

I was away for sometime, from what I know, and who I love. I used a lot of this time to extract myself from the world and attempt to hear the Lord's voice. A sound that I was never sure of, have I heard Him before? I endured the sandstorms, the fire, the earthquakes, but have I heard the "still small, voice"?

This collection mainly tells my different experiences with listening, hearing, and deciphering the voice which I refer to as Light. Many of us may have felt these different emotions, many may not have. These are my stories, both from my point of view, and what I interpret as His point of view.

Sound of Light is set to release on December 1, 2012.
