David Daniels at BleacherReport.com reached out to us and asked us to contribute to a list of 50 songs that would be great to pump athletes up before games. Philip Rood compiled a short list and then referred David to YouTube.com/Rapzilla to check out the nearly 1,000 videos there.

David compiled a list of the following artists: Jin, Skrip, D-Maub, Yaves, Derek Minor, GRITS, Gideonz Army, DJ Morph, Json, Reconcile, Lecrae, Dee-1, theBREAX, Sean Slaughter, Canon, 116, Christion Gray, Thi'sl, Tragic Hero, Lil Prophet, Sho Baraka, Swoope, KB, and many more!

The top 3 spots went to Trip Lee, Da' T.R.U.T.H., and Viktory.
