Strght & Nrrw have just wrapped up the music video for the Wit (1/3 of The Watchmen) produced "S&N Life" featuring MC Jin, Uncle Reece, A-Flow & Erick Dayz which was shot by Space Cherry Films at Flavor Fest 2012.

"Last year we had Courtland Urbano "Xperiment" produce the beat for us with featured artist Braille, Eshon Burgundy and JuanLove of Rhema Soul. We also shot the [video](#) last year at Flavor Fest and we had a blast. "S&N Life" video has so much energy we all had a blast and what a blessing it was for the artist to take the time in helping us with this years video." - Manny Avila
